160	erupt, the deeply vulnerable	1' x 1'	Wood & Metal Stabile	Challenges us to "erupt" the deeply vulnerable from the depths of their vulnerability. Sends a message to all that the deeply vulnerable themselves may erupt on their own with all ramifications of that action.	\$1,400

	A	B	C	E	F
161	ethereal flight	2' x 2'	Metal Mobile	In flight high above the world's early plane, a being thrives and floats in the ethereal air and lightness.	\$165
162	ever higher aspirations	3' x 4'	Wood & Metal Mobile	Challenges us to have ever higher aspirations as we reach to the stars and the moon and beyond	\$2,200
163	existential threat	3' x 3'	Metal Mobile	Existential threats to Earth and all its inhabitants are posed by creatures as diverse as humans and as viruses and bacteria. COVID-19 is just one of them. Each of these is a major but not unsurmountable challenge to the future of Earth and all its inhabitants. Our choice, the humans' choice, is to cause an endangered future (our current path) or ensure a thriving future for all (much better path).	\$2,500
164	exponential human potential	2' x 2'	Metal Mobile	Challenging the pessimistic view of what humans can be, symbolizes the exponential nature of human beings' potential for growth.	\$1,300
165	extinction - failure to thrive	3' x 3'	Metal & Plexiglass Mobile	Since beginning of the universe, we have observed many worlds. Many have thrived throughout their existence. Many continue to thrive. Some fail to thrive. This is the story of one that failed. One that failed by its own actions. This is the story of the human species. This is the story of Earth. This is the failure to thrive. This is extinction.	\$3,000
166	eye of the one	1' x 1'	Wood & Metal Mobile	Speaks to the vision of what one can become and be.	\$275

188	global failure	3' x 3'	Metal & Plexiglass Mobile	Facing a global threat, the world failed to join together against a virus that will destroy as much human life as we let it. That, in and by itself, is global failure. One that continues. The world's countries behaved as countries, not a global community. The virus behaves as a global virus. Much worse than this virus, total global failure is already well on its way to being here. Driven by selfishness and shortsightedness, countries are behaving as countries and not even doing that well. The likely result. Total global failure - early extinction of humans and many other creatures and great damage to Earth. Unless we change now.	\$3,000
